

Honeywell

For peace of mind, insist on Honeywell.

When it comes to security, comfort and convenience, homeowners look to Honeywell. We're proud that millions of families place their trust in us, and we know that your family will feel at home with our products, too. After all, your security comes from knowing you've made the very best choice for their protection.

Your Honeywell Dealer:

Security, comfort and convenience at your fingertips.

Honeywell's Deluxe Keypads contain a host of convenient features that make security system operation simpler than ever. What's more, the sleek, attractive keypad looks as good as it works. It truly puts security, comfort and convenience at your fingertips.

Security made simple.

The Deluxe Keypad spells out system status in plain English. It's easy to use and easy to read – making it ideal for family members of all ages.

Design blends with any décor

The attractive white console blends with any décor and can be placed on a wall or tabletop. The contoured, removable door lets you customize the keypad for the look you want. With the door closed, the keypad has a smooth, unobtrusive appearance – leaving the four large function keys still accessible.

CRYSTAL CLEAR DISPLAY

Large, easy-to-read display gives security system status and zone information in plain English.

EASY OPERATION

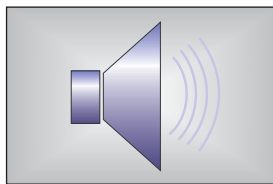

- Comfortable, soft-touch keys are labeled with simple commands
- Keys are illuminated for easy night-time visibility

- Four one-touch function keys can be custom-programmed to contact the police, fire department or other emergency response personnel

BUILT-IN SPEAKER

Audible beeps indicate system status, entry/exit delays and other conditions.

24-HOUR MONITORING

Your home can be monitored by a central station 24/7 to ensure a quick response in the event of an alarm, fire or other emergency.

CONVENIENT OPTIONS

• WIRELESS REMOTES

Arm and disarm your system with the touch of a button.

• MESSAGING

Your security system can notify you (text or email message) when your child arrives home from school.

• HONEYWELL TOTAL CONNECT™ REMOTE SERVICES

Control your security system, stay connected to your home and family, view live video and receive important alerts on the same mobile devices you use every day.

Honeywell
